

AGREEMENT FOR ELECTRIC SERVICE TERRITORY EXCEPTION

Sioux Valley Southwestern Electric Cooperative, Inc., doing business as Sioux Valley Energy (SVE) and Southeastern Electric Cooperative (Southeastern) agree to an exception to the Sioux Valley Energy service territory permitting Southeastern to provide electric service to Mike VanHove located in the southeast quarter of Section 35, Township 101N North, Range 52 West in Minnehaha County, South Dakota. A drawing of the service site, Exhibit A, is attached.

The Parties have concluded that, in this instance, the customer's interest will be best served by receiving service from Southeastern. The Parties also agree that future instances where territory boundaries become a factor should be dealt with on an individual basis.

The consent provided on the part of SVE is limited to the said residential service for Mike VanHove and will automatically terminate upon removal or abandonment of such service. However, the service territory rights exception agreed upon herein will remain for the life of the said residential service, no matter the owner of the property, unless otherwise agreed upon by SVE and Southeastern Electric Cooperative, Inc. The consent to the territory exception will stay with the property should the VanHove's sell this property. The consent of SVE is also agreeable to future development of this site that may require an upgrade of the service.

This exception is not to be construed as having any impact upon or indicating a desire to change the service area assigned to Sioux Valley Energy by the South Dakota Public Utilities Commission.
