Patricia Van Gerpen, Executive Director
South Dakota Public Utilities Commission
State Capitol Building
500 East Capitol Avenue
Pierre, SD 57501-5070

Dear Ms. Van Gerpen,

Please accept this letter and attachments as an "Official Release" of electric service for Glen Aldentaler, located in the SW $\frac{1}{4}$ of Section 14, Township 127 N, Range 58 W of Marshall County.

Lake Region Electric Association, Inc. was contacted by Mr. Aldentaler to provide three (3) phase service to a bin site at the above location. This location is currently in the Otter Tail Service territory, however, Otter Tail does not have three (3) phase power near this site. Lake Region Electric Association has three (3) phase power adjacent to this property. We are requesting a "Service Rights Exception" for three (3) phase power. Otter Tail Power Co. will continue to serve the single phase service at this location. Otter Tail Power would not retain any rights to three (3) phase service should it become available in the future.

I have included a letter of release from Otter Tail Power Company, a signed agreement with Mr. Aldentaler, a cost outline for Lake Region Electric Assn. to extend the line to provide three phase service to Mr. Aldentaler and a map of the utility lines and location in need of 3 phase power. For the convenience of all of the parties, Lake Region Electric Assn., has agreed to provide the three-phase service to Mr. Aldentaler.

Lake Region Electric Assn. respectfully requests that the South Dakota Public Utilities Commission approve this Service Territory Exception.

If anyone has any questions, please feel free to contact me at 605-345-3379.

Best Regards,

Jim Grimes, Assistant Operations Manager
Lake Region Electric Assn.

Lake Region Electric Association, Inc. is an equal opportunity provider and employer.
