Re: Midcontinent Independent System Operator, Inc.
FERC Docket No. ER14-2507-000
Supplement to Filing of Amended and Restated Transmission Facilities and Operating Agreement, George Neal Unit No. 4 Transmission

Dear Secretary Bose:

On July 25, 2014, the Midcontinent Independent System Operator, Inc. ("MISO") submitted an executed MidAmerican Energy Company ("MidAmerican") First Revised FERC Rate Schedule No. 70 Amended and Restated Transmission Facilities and Operating Agreement George Neal Unit No. 4 Transmission among MidAmerican, Interstate Power and Light Company, ITC Midwest LLC, Northwestern Corporation d/b/a Northwestern Energy, Corn Belt Power Cooperative, Northwest Iowa Power Cooperative, Algona Municipal Utilities, Bancroft Municipal Utilities, Coon Rapids Municipal Utilities, Graettinger Municipal Light Plant, Laurens Municipal Light & Power Plant, Milford Municipal Utilities, Spencer Municipal Utilities, City of Webster City, Iowa, Municipal Electric Utility of Cedar Falls, Iowa, and Grundy Center Municipal Utilities, and MISO, in Docket No. ER14-2507-000 ("July 25 Filing").

It has come to our attention that the transmittal letter incorrectly referenced an effective date of July 25, 2014. The correct effective date should be July 26, 2014, as reflected in the tariff record accompanying the parties' July 25 Filing in this proceeding.

If you have any questions, please contact the undersigned.

Respectfully submitted,

/s/ Jacob T. Krouse

Jacob T. Krouse
Attorney for the Midcontinent Independent System Operator, Inc.
