Dear Ron,

I am writing to you requesting a Releasing Point of Service for me to run a 10 HP motor to pump water from a drain tiling system. It is located in the SE1/4 of Section 9, T101N, R60W which is 2 miles west and 1.33 miles north from the south side of Ethan. I have enclosed a map marking the location of the Release Point.

I appreciate your consideration of this request.

Sincerely,
