### **Transmission Cost Recovery Rider Rate Increase**

**Effective January 1, 2016**

Xcel Energy has upgraded transmission facilities to help ensure continued safe and reliable service to our South Dakota customers. The South Dakota Public Utilities Commission has approved a Transmission Cost Recovery (TCR) Rider as a separate line item on your monthly electric bill beginning January 1, 2016 to recover the cost of new and modified transmission facilities. The rate factor will increase from \$0.002417 per kWh to \$0.002688 per kWh.

#### **Residential Electric Service – Winter Month Bill Example**

This chart provides a comparison of customer bills by applying the prior TCR rate vs. the new TCR rate.
