RE: ERRATA
COMPLIANCE FILING
CREDIT FOR EIGHTH DOE SETTLEMENT PAYMENT
DOCKET NO. EL16-001

Dear Ms. Van Gerpen:

Northern States Power Company, a Minnesota corporation, submits to the South Dakota Public Utilities Commission this correction to our March 7, 2018 compliance report regarding the credit to South Dakota retail electric customers resulting from the eighth settlement payment received from the U.S. Department of Energy for failure to take the Company's spent nuclear fuel. The report was submitted in compliance with the Commission's February 17, 2016 ORDER in the above-referenced docket.

The compliance report included an inadvertent error in customer counts on Line 12 of Attachment A showing the "Est. Number of Active Customers Receiving a Credit." A corrected version of Attachment A is provided with this filing. The error in customer counts does not affect the refund amounts applied to all active customers due to receive a refund.

Please contact me at mary.a.martinka@xcelenergy.com or (612) 330-6737 if you have any questions regarding this filing.

Sincerely,

/s/
