Date

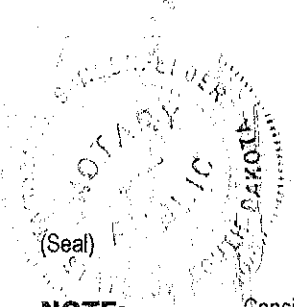

My family and I own property in the area where the project is proposed to be sited and are opposed to said project.

My reason for opposition include but are not limited to: concerns regarding the applicant's compliance with applicable laws and rules; concerns involving the environmental, social, and economic impact the project will have on myself, my family and others who live and work in the area; concerns that the project will negatively impact the health, safety, and welfare of the people in the area; and concerns that the project will interfere with future development in the region.

Subscribed and sworn to before me this 29th day of August, 2016.
