South Dakota Data Request

1-6 Note that pursuant to ARSD 20:10:13:18 and 20:10:13:19 the company is required to post a notice of the changes and to individually notice the customers. Staff did not see a proposed customer notice in the original filing. Provide a customer notice that the company will post pursuant to ARSD 20:10:13:18 and mail individually to customers pursuant to ARSD 20:10:13:18.

Response:

MidAmerican has included a proposed residential customer notice in the Supplemental and Revised 2015 Reconciliation and New Factor Calculation filed with the South Dakota Public Utilities Commission on March 4, 2016. MidAmerican is requesting, however, that the Commission not require individual customer notification of the rate change, but instead allow the notice to be published in MidAmerican's customer offices.
