RE: MISCELLANEOUS TARIFF MODIFICATIONS  
DOCKET NO. EL16-017

Dear Ms. Van Gerpen:

On April 28, 2016, Northern States Power Company, doing business as Xcel Energy, submitted a Petition seeking approval of miscellaneous tariff modifications including:

- Bill Backer Revisions
- Disconnection Notice Revisions
- Disconnection Backer

On June 9, 2016, we submitted responses to data requests from the South Dakota Public Utilities Commission. Our responses to data requests 1-2 and 1-3 included our commitment to make revisions to the Standard Bill Backer. The revisions include:

- Changing the phone number listed for the SDPUC to the 800 number (800.332.1782)
- Changing the Online View and Pay description to match the language on the Disconnection Notice Backer (Online View and Pay – View and pay your bills online through a third-party vendor.)

We have made the requested revisions to the South Dakota Standard Bill Backer, and it is included here as Attachment A-Revised.

Please call me at (605) 339-8303 if you have any questions regarding this filing.

Sincerely,

/s/
