Xcel Energy

Docket No.: EL16-017

Response To: SD Public Utilities Commission      Information Request No.      1-1

Requestor: Lorena Reichart

Date Received: May 26, 2016

---

Question:

Confirm that the date will be included on all customers' letters as it does not appear on the disconnection notice template in Attachment B.

Response:

The date will be included on all customers' letters. Attachment B was created to show the text changes in redline to the Disconnection Notice, so it did not include the same header information as on an actual Disconnection Notice. Please see the proposed tariff sheet (Sheet No. 8-5) in Attachment C of our April 28 filing for the actual format of the Disconnection Notice.
