Xcel Energy

Docket No.: EL16-017

Response To: SD Public Utilities Commission      Information Request No.      1-2

Requestor: Lorena Reichart

Date Received: May 26, 2016

---

Question:

On the bill backer in Attachment A, the Public Utilities Commission’s 605-773-3201 telephone number is listed. On the disconnection notice backer in Attachment B, the 800-332-1782 toll free number is listed. Explain the reason for using two different numbers.

Response:

This appears to have been an oversight on our part. We will adjust the bill backer in Attachment A so that it reflects the same 800-332-1782 telephone number that is noted in the bill backer of Attachment B.
