Xcel Energy

Docket No.: EL16-018

Response To: South Dakota Public
Utilities Commission

Data Request No. 1-13

Requestor: Darren Kearney

Date Received: September 7, 2016

Question:

Given the actual Residential Home Lighting spend in 2015 of \$204,700 (and the large amount of program participation in 2015), please explain why the proposed budget of \$97,340 for 2017 is adequate.

Response:

Given the history of the program and our projected forecast for the Residential Home Lighting program, as detailed in Data Request No. 19, we believe this is an appropriate budget level for 2017.
