Response:

The Residential Lighting program should have included \$4,250 in administrative costs. These costs were mistakenly excluded from Otter Tail's evaluation tool. Please see Attachments 1 to IR SD-PUC-02-06 for the revised Appendix A tables and Attachments 2, 3, and 4 to IR SD-PUC-02-06 for the revised DSMore models for 2017, 2018, and 2019, respectively, that include the administrative costs for the Residential Lighting program.
