My name is Rebecca Hotchkiss and I wanted to let you know that I'm in favor prevailing wind farm. We need clean energy. At the meeting on Aug 24th, 2016, [REDACTED] didn't give his correct address. He built a new house in Tyndall, SD. If Avon is go great, why was the house built in Tyndall. I'm a resident at [REDACTED] Delmont, SD 57330. I personally enjoy seeing the wind towers.

Thanks for your time.
