Dear Mr. Hubner:

This is in response to your message regarding the proposed Prevailing Winds, LLC facility, PUC docket EL16-022.

Since you own property near the proposed facility, you will want to become familiar with the docket. Filings received by the commission will be posted in the online docket. You can access it by going to [www.puc.sd.gov](http://www.puc.sd.gov) and clicking on Commission Actions, Commission Dockets, Electric Dockets, 2016 Dockets, and scrolling down to EL16-022: <http://www.puc.sd.gov/Dockets/Electric/2016/el16-022.aspx>. Your message and my response will be posted under Comments and Responses in the docket.

This Siting Guide available online via the commission's home page provides information on the processing of siting permit request dockets such as this: <http://www.puc.sd.gov/commission/Publication/sitinghandout.pdf>. It will be distributed at the public input hearing scheduled for 6:30 PM on Wednesday, Aug. 24, 2016 at the school in Avon. More information on this hearing is available in the docket.

Thank you for sharing your concerns about the proposed project with my fellow commissioners and me.

Chairman Chris Nelson  
South Dakota Public Utilities Commission
