Dear Ms. Oorlog:

This is in response to your letter regarding the proposed Prevailing Winds, LLC facility, PUC docket EL16-022.

As a landowner affected by the proposed facility, I encourage you to become familiar with the docket. Filings received by the commission will be posted in the online docket. You can access it by going to www.puc.sd.gov and clicking on Commission Actions, Commission Dockets, Electric Dockets, 2016 Dockets, and scrolling down to EL16-022. Your letter and this response will be posted under Comments and Responses in the docket.

Enclosed is a copy of our Siting Guide, available on the home page of our website. This provides information on the processing of siting dockets such as this and will be distributed at the public input hearing on Aug. 24, 2016. Other information from the hearing will also be posted in the docket.

Thank you for sharing your concerns about the proposed project with my fellow commissioners and me.

Sincerely,

Chairman Chris Nelson
