re: West Central Electric / Oahe Electric

Dear Sirs:

Several years ago West Central Electric and Oahe Electric entered into an agreement for an exception to their respective service areas to allow Oahe Electric to serve an irrigation project of the Lower Brule Sioux Tribe.

The plan never came to fruition, and the parties entered into an agreement to revoke their prior agreement in April of 2001. This revocation was never submitted to the PUC for approval; however, the parties would like to do so now. The original revocation agreement is enclosed.

Please advise as to what is required to have this placed before the commission for their approval.

I am legal counsel for both cooperatives.

Sincerely,

David J. Larson
