RE: EL16-041-In the Matter of the Request by Trinity Point Limited Partnership for a Variance from the Individual Metering Requirement in ARSD 20:10:26:03 for a 48-Unit Multi-Family Housing Structure in Sioux Falls, South Dakota

Ms. Van Gerpen,

On December 22, 2016, Lloyd Companies, on behalf of Trinity Point Limited Partnership, filed a request for a Variance from the Individual Metering Requirements in ARSD 20:10:26:03. Staff originally opened an Electric Docket to review this filing. After further review, the request involves a request for a variance from the individual metering requirements for both gas and electric. As such, Staff requests that that docket EL16-041 be closed and the filing opened as a Gas and Electric docket.

Thank you for your time and attention to this matter

Sincerely,

Amanda M. Reiss
