**RE: MidAmerican Energy Company, Certificate of Concurrence
Docket No. ER16-494-000**

Dear Secretary Bose:

Please withdraw the entire filing made by MidAmerican Energy Company (“MidAmerican”) on December 10, 2015 in this docket. Upon further review of the certificate of concurrence that was approved in an earlier version of the Amended and Restated Transmission Interconnection Agreement (“Interconnection Agreement”), this concurrence is not necessary. In an earlier version of the Interconnection Agreement, MidAmerican concurred with Version 31.0.0 of the Interconnection Agreement and “all subsequent versions of the agreement,”¹ which would include this revision (Version 32.0.0).

In light of this, MidAmerican need not concur in the most recent Interconnection Agreement. To the extent a revision is filed with which MidAmerican does *not* concur, MidAmerican will remove its concurrence at that time.

Sincerely,

Brian J. Rybarik
