Dear Mr. and Mrs. Rasmussen:

This is in response to your letter regarding the Crocker Wind Farm Permit Application filed July 25, 2017 with the Public Utilities Commission.

Your letter and my response will be posted in the commission's public, online docket, EL17-028, under Comments and Responses. You can find the docket at www.puc.sd.gov by clicking on Commission Actions, Commission Dockets, Electric Dockets, 2017 Electric Dockets, and scrolling down to EL17-028.

Thank you for your interest in the Crocker Wind Farm Permit Request process. Enclosed you will find a document titled, Information Guide to Siting Energy Conversion & Electric Transmission Facilities. This document is also available on the PUC's website at www.puc.sd.gov. It may be helpful in explaining the PUC's processing of siting dockets such as this one.

Sincerely,
