Regarding EL17-028 - In the Matter of the Application by Crocker Wind Farm, LLC for a Permit of a Wind Energy Facility and a 345 kV Transmission Line in Clark County, South Dakota, for Crocker Wind Farm

To Whom it May Concern:

I am submitting three documents that are useful in fully understanding the case currently before the Third Judicial Circuit Court in Clark County (12 CIV 17-0017):

- Respondent's Response to Petitioner's Statement of Undisputed Material Facts (filed 8/3/17)
- The transcript from the Hearing on Motion for Summary Judgment on 8/14/17
- Order Denying Petitioner's Motion for Partial Summary Judgment (filed 8/15/17)

I firmly believe, despite Mr. Koenecke's assertion in his letter to Patricia Van Gerpen dated 9/5/17, that the courts will ultimately rule that the local governing body acted within its authority. Please note Judge Mean's decision on page 14 of the transcript.

Sincerely,

Darci Adam
