Dear Ms. Christman:

This is in response to your letter regarding the Crocker Wind Farm Permit Application currently being processed by the Public Utilities Commission.

I appreciate you sharing your views on this open docket. Your letter and my response will be posted in the commission's public, online docket, EL17-028, under Comments and Responses at [www.puc.sd.gov](http://www.puc.sd.gov).

Thank you for your interest in the Crocker Wind Farm Permit Request process. Enclosed you will find a document titled Information Guide to Siting Energy Conversion & Electric Transmission Facilities. This document is available on the home page of the PUC's website. It explains the PUC's processing of siting dockets such as this.

Sincerely,

Kristie Fiegen, Chairperson
