Subject: Phone Call

Good Morning Commissioner Fiegen,

Would you have a few minutes to discuss a recent decision by the PUC specifically surrounding Geronimo Energy? I respect your position but need to gather background to understand how to manage additional wind energy recruitment that is part of our agencies activity and initiative.

Give me a few options that work in your schedule and the best method of contact and I will schedule one accordingly.

Thanks in advance for your cooperation,

Best,

Scott

Scott Stern
