Dear Ms. Luvaas:

This letter is in response to the letter you submitted regarding the Crocker Wind Farm Permit Application currently being processed by the Public Utilities Commission.

I appreciate you taking the time to write with your views on this open docket. Your letter and my response will be posted in the commission's public, online docket, EL17-028, under Comments and Responses.

Thank you for your interest in the Crocker Wind Farm Permit Request process. Enclosed you will find a document titled, Information Guide to Siting Energy Conversion & Electric Transmission Facilities. This document is also available on the PUC's website at www.puc.sd.gov. It may be helpful in explaining the PUC's processing of siting dockets such as this one.

Sincerely,

Kristie Fiegen, Chairperson
