SOUTH DAKOTA PUBLIC
UTILITIES COMMISSION

Dear Madam Chairperson and South Dakota Public Utility Commissioners;

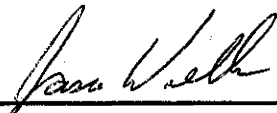

RE: EL17-028 CROCKER WIND FARM APPLICATION

I am writing to share my support of the Crocker Wind Farm, a Geronimo Energy wind farm development.

I was unable to attend the September 13, 2017 South Dakota Public Commission Hearing in Clark, SD.

- I support Crocker Wind Farm because it will provide **economic benefits to the local economy**, tax base, schools, local residents and county and towns.
- I support Crocker Wind Farm because it will provide numerous **benefits for the local and broader environment**, including water consumption savings and carbon dioxide emissions reductions.
- I support Crocker Wind Farm because its developer, **Geronimo Energy, is a responsible and thorough developer.**

Sincerely,

Signature

Additional comments of support below:

 has kept us thoroughly informed on the Crocker Wind Farm. Geronimo Energy has been very patient and acting in a professional manner in dealing with all the obstacles Clark County has pursued. I believe there needs to be a thorough investigation into the Clark County commissioners for their unfair practices and litigation. *Jason Wells 10-4-17*
