

To Whom It May Concern,

I am writing you as a community member near the project to share my support of the Crocker Wind Farm, a Geronimo Energy wind farm development located in Clark County, South Dakota.

- I support Crocker Wind Farm because it will provide **economic benefits to the local economy**, tax base, schools, local residents and county and towns.
- I support Crocker Wind Farm because it will provide numerous **benefits for the local and broader environment**, including water consumption savings and carbon dioxide emissions reductions.
- I support Crocker Wind Farm because its developer, **Geronimo Energy, is a responsible and thorough developer.**

Sincerely,

Additional comments of support below:

We can't continue to stop projects that provide a economic benefit to our community.

(Wind Farm Turkey Farms Dairy ect)

Yes all these come with a price but we aren't in the economic times that we can do without these for our communities
