

LETTER OF UNDERSTANDING

This letter of understanding is entered into between Oahe Electric Cooperative, Inc., hereinafter Oahe, and the City of Onida, hereinafter Onida.

Onida currently owns, operates and maintains a municipal electric utility for the primary purpose of providing electrical power and energy to residences and business within the City of Onida.

Oahe owns, operates and maintains a rural electric utility providing electrical power and energy to consumers surrounding Onida.

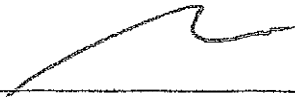

Onida is currently in the process of developing what is known as the Wickersham Addition to the city.

The parties have reached an understanding between themselves as to how electrical power and energy will be provided to the occupants of the new addition, and are executing this letter for the purpose of documenting that understanding.

It has been agreed between the parties that the Onida will provide service to the South 321.99 feet of Outlot 1 less Outlot R-1 less Lot W-1 and less Oahe Addt' to Onida Cemetery in the SE 2-114-77; and Oahe shall retain and provide service to the North 620 feet thereof.

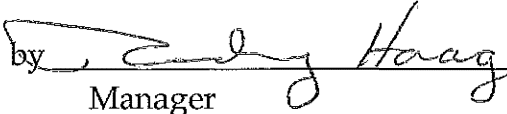

The parties do further agree to enter into a more permanent agreement regarding such service areas and to obtain any required PUC approval, and that each will proceed in good faith to obtain all necessary approvals for such agreement.
