Greg, Please feel free to forward this.

To whom it may concern,

Documents derived from the public website of the Nebraska Legislature are in the public domain and are publicly releasable documents.

The authority for this is the Nebraska Attorney General (402) 471-2682. They can confirm this if you have concerns over and above the word of a Legislative Aid.

You can also contact the Clerk of the Legislature. (402) 471-2271 The Transcribers Office works for him. He can confirm this as well.

Sincerely,

Tony D. Baker
