Dear Madam Chairperson and South Dakota Public Utility Commissioners;

RE: EL17-055 CROCKER WIND FARM APPLICATION

I am writing you as a community member to share my support of the Crocker Wind Farm, a Geronimo Energy Wind Farm development located in Clark County, South Dakota.

We have been in the line of business of building roads, parking lots, ... since 1976.

We know that just across the Clark County into the Oak Gulch Township of Day County the roads are FANTASTIC! That is because the Conde Wind Farm in that Township.

Our Township, Spring Valley has no money! Geronimo's construction of the Crocker Wind Farm WILL GREATLY IMPROVE our Township roads as well as the roads in the other Clark County Townships n the Wind Farm.

Because of our 42 years of Experience with road building and maintenance this is one of the very important benefits of the Crocker Wind Farm for us.

Thank you,
