

Customer Notice:

On February 15, 2017, Black Hills Power, Inc. d/b/a Black Hills Energy filed an application with the South Dakota Public Utilities Commission for a change to its Transmission Facility Adjustment rate. This rate change occurs annually and affects all South Dakota Retail Customers. For the typical residential customer using 650kWh per month, this adjustment will increase the electric bill by \$0.00003 per kWh or approximately \$0.02 per month.

The application is available in this office for inspection. Please inquire at the customer service desk.
