RE: CORRECTION TO UPDATE FILING
2018 INFRASTRUCTURE RIDER PROJECT ELIGIBILITY AND FACTOR UPDATE
DOCKET NO. EL17-039

Dear Ms. Van Gerpen:

Northern States Power Company, doing business as Xcel Energy, submits the enclosed correction to our November 29, 2017 update to our 2018 Infrastructure Rider Petition. Staff alerted us to a typographical error in the rate shown on the non-legislative (or clean) version of the tariff page. One digit was presented incorrectly. In addition, the revised rate presented in our update filing is a reduction from the rate currently in place. Per SD Administrative Rule 20:10:13:04, the right margin symbol should read "R" instead of "I" on the tariff page to denote a rate reduction.

We provide a corrected Attachment 11 to clarify the record.

Please call me at (605) 339-8350 if you have any questions regarding this filing.

Sincerely,

/s/

STEVE KOLBECK
PRINCIPAL MANAGER
