Re: In the Matter of the Application of Crowned Ridge Wind, LLC
for a Facility Permit to Construct a 230kV Transmission Line
Docket EL17-050

Dear Ms. Van Gerpen:

Attached for filing in this matter is an updated site plan. We are filing the attached for informational purposes to show a change in the location of the laydown yard. Specifically, we are moving the laydown yard which was shown in page 11 in the site plan filed on 5/6/19 to the last page, page 25, which now shows the laydown yard is to be located on the same land we own for the collector substation. This laydown yard is 20 acres, which is consistent with our Application that stated we would need two 10 acre laydown yards.

No other changes to the site plan have been made.

If you have any questions, please contact me.

Yours very truly,

LYNN, JACKSON, SHULTZ & LEBRUN, P.C.
