

Corey Amdahl,

Summit, SD 57266

My name is Corey Amdahl.

I am a landowner in the Dakota Range Wind Project. I have had a good working relationship with the guys from Apex over the last few years. I trust their team and they have been easy to work with.

We don't want these groups from areas like ~~Sidon Falls~~ ^{Avon} and out of state coming to our community trying to stir up trouble and shut down something that we have wanted for a while. We want this project in our community.

I would like to request that the commission approve the permit for Dakota Range Wind.
