Mr. Noeldner:

This is in response to your message regarding the Dakota Range Permit Application request, filed with the commission on Jan. 24, 2018. I appreciate your suggestion to consider specific technology dealing with aircraft notification.

I encourage you to follow along as this docket is processed. Here is a link to the docket, EL18003, <http://www.puc.sd.gov/Dockets/Electric/2018/EL18-003.aspx>, and here is a link to the PUC's Information Guide to Siting Energy Conversion & Electric Transmission Facilities, <http://puc.sd.gov/commission/Publication/sitinghandout.pdf>. It is helpful in explaining the PUC's processing of siting dockets such as this one.

Your letter and this response will be posted in the commission's public, online docket under Comments and Responses.

Thank you for your interest as well as your mother's in the Dakota Range Permit Request process.
