*RE: EL18-061 – In the Matter of Randall Community Water District’s Petition for a  
Declaratory Ruling Determining if South Dakota Law Would Allow Petitioner to Develop and  
Own Its Own Renewable Energy Generation System*

Dear Public Utilities Commission:

For purposes of clarifying the Petition for Declaratory Ruling in the above-referenced matter,  
Randall Community Water District would be the sole owner of the facilities at the time they  
come into operation and would be providing electricity only to itself.

Sincerely,

MEIERHENRY SARGENT LLP
