- 5. Disconnection. NorthWestern may discontinue any utility service covered under this Agreement in accordance with the tariffs, rules and regulations of the applicable state utility commission.
- 6. Suspension and Termination. This Agreement may be suspended or terminated as follows:
 - 6.1 Suspension: This Agreement may be suspended by NorthWestern if past due monies are owed by the Responsible Party for property listed, or previously listed, on this Agreement. If the current tenant requests discontinuance of service and this Agreement is suspended, NorthWestern will make a reasonable attempt to notify the Responsible Party that utility services will be disconnected as a result of the suspension of this Agreement. Prior to removing the suspension, all past due balances must be paid.
 - 6.2 Termination: This Agreement may be terminated for cause by NorthWestern upon a breach of this Agreement or the failure of Responsible Party to pay balances for property listed, or previously listed, on this Agreement. NorthWestern may terminate this Agreement if past due balances are more than 90 days. If terminated pursuant to this paragraph, NorthWestern will make a reasonable attempt to notify the Responsible Party. If this Agreement has been terminated, the Responsible Party must cure the breach or pay past due balances on all NorthWestern accounts before reactivating this Agreement. NorthWestern may also terminate this Agreement: (i) at any time upon 30 days prior written notice; and (ii) without further notice if written notifications to the Responsible Party are returned undelivered and NorthWestern is unable, after reasonable effort, to identify current contact information for the Responsible Party. Termination does not relieve Responsible Party of the obligation to pay for utility services incurred.

Responsible Party may terminate this Agreement at any time by providing written or verbal notice to NorthWestern.
- 7. Conflicts. In the event of a conflict between the terms of this Agreement and NorthWestern's gas or electric tariffs, rules and regulations established by the applicable state utility commission, the terms of the tariffs, regulations or rules prevail. All terms of this Agreement are subject to modification upon notice by NorthWestern if required as a result of changes in applicable tariffs, rules and regulations and laws amended or enacted after the date of this Agreement.
- 8. Information. This Agreement does not authorize the Responsible Party or Authorized Parties to any information of a NorthWestern customer at a property subject to this Agreement, other than the average annual utility usage.
- 9. Connect Fees. Responsible Party is not required to pay connect fees when responsibility for services are transferred to Responsible Party. If the Responsible Party requests services be disconnected, connect fees (if applicable) will be charged when services are resumed in the Responsible Party's name.
- 10. Limitation of Liability. NorthWestern's liability under this Agreement is limited in accordance with applicable tariffs governing continuity of utility services.
- 11. Miscellaneous. Responsible Party shall not assign this Agreement without the prior written consent of NorthWestern. A waiver by either party of any right or conditions of this Agreement will not limit the right of a party to enforce such right or conditions at a later date. If any portion of this Agreement is held to be void or unenforceable, the balance will continue to be effective. Except as permitted by Sections 3 and 4 to allow for the periodic updating of the Property List and Authorized Parties, this Agreement will not be modified, amended or changed in any respect except by a written document signed by the parties. This Agreement constitutes the entire agreement of the parties. Covenants or representations not contained or incorporated therein are not binding upon the parties. Handwritten revisions to this Agreement are of no effect and are not binding against the parties.

The parties understand and acknowledge that this Agreement will be effective on the date that NorthWestern processes a completed Agreement.
