Re: City of Hawarden & Southeastern Electric Cooperative, Inc. – Verification of Shared Electric Service Territory Boundary and Updated Mapping Data

Dear Ms. Van Gerpen:

This filing is submitted in regard to the ongoing efforts of the PUC to verify electric territory mapping data for conversion to electronic format and use in a Geographic Information System (GIS) database. With the assistance of the above-referenced utilities, Commission Staff has confirmed the service territory boundary shared by these utilities and has prepared updated mapping information. Included as part of this filing please find:

- 1) A contract signed by the parties confirming service territory
- 2) A legal description of the shared boundary
- 3) Updated territory maps
- 4) 1979 Letter Regarding Transfer of Territory

Commission Staff requests the Commission open a docket and approve this agreement with accompanying mapping data.

Sincerely,

Lorena Reichert
