Re: Service Exception

Dear Mr. Schlimgen,

Attached you will find two (2) copies of a document titled Exception to Electric Service on Assigned Areas (Agreement), with copies of the permission email from land owner Ron Mueller providing his approval of this exception and a service maps showing the location of Southeastern Electric Cooperative Inc. (Southeastern) and Central Electric Cooperative, Inc. (Central) electric service facilities in that general area. This Agreement will allow Central to provide single phase electric service to his residential/farm service at that location since Southeastern is almost two miles from that location.

Please date and sign both copies of the Exception to Electric Service on Assigned Areas agreement. Keep one copy for your files and return one copy in the enclosed self-addressed envelope. Southeastern will submit the signed Agreement along with any of the necessary documents to the South Dakota Public Utilities Commission for their action upon receipt of your materials.

Thanks for your cooperation on this and your efforts to provide quality electric service to Mr. Mueller. If you should have any questions or need any additional information, please feel free to give me a call

Sincerely yours,

Bradley J. Schardin
