**RE: EL18-045 In the Matter of the Application of Flying Cow Wind, LLC**

Dear Ms. Van Gerpen:

A question was posed at the December 18, 2018 public input meeting for the above referenced project regarding the estimated tax revenues from the project in South Dakota. Flying Cow Wind, LLC is providing this response to the docket in order to make it publicly available.

Our current estimate of tax revenues that will accrue in South Dakota from the project is approximately \$152,375, based on the \$15 million estimated cost of the project, the calculated net present value of the project, and a township millage rate of 1.014%.

If you have any questions, please contact me at 512-617-2894 or [anne-marie.griger@res-group.com](mailto:anne-marie.griger@res-group.com).

Sincerely,
