**RE: Application to the South Dakota Public Utilities Commission for a Permit of a Wind Energy Facility and a 345-kV Transmission Line in Grant and Roberts Counties
Docket EL18-046**

Dear Ms. Van Gerpen:

In connection with the above-referenced matter, Dakota Range III, LLC writes to provide a correction to its Application. The Application, page 9-8, should be corrected to state that the 345 kilovolt (“kV”) Transmission Line would turn east on to **150th** Street to the Ottertail Power switchyard. The Application inadvertently stated that the Transmission Line would turn east on to 159th Street.

If you have any questions, please contact me.

Sincerely,

/s/ Lisa M. Agrimonti
