Invenergy LLC, 1401 17th Street, Suite 1100, Denver, CO 80202

### **EDUCATION**

#### **University of Oklahoma**

*Bachelor of Business Administration in Energy Management, with a Minor in Finance*

### **WORK EXPERIENCE**

#### **Invenergy LLC**

*Manager, Business Development*

*March 2016 - Present*

- Manage cross-functional teams of land agents, engineers, surveyors, accountants, lawyers, biologists and others to continue project development of multiple wind and solar projects across the upper Midwest
- Conduct due diligence, and outreach for greenfield project sites and acquisition targets to identify risks, analyze opportunities, and select optimal project locations
- Build and maintain pro-forma pricing models in coordination with finance, construction, and engineering teams to optimize project economics, and develop competitive projects
- Select project experience:
  - Lead developer of 300 MW Deuel Harvest North Wind Farm, and 200 MW Deuel Harvest South Wind Farm
  - Developer for the Freeborn Wind Farm (200 MW in Freeborn County, MN and Worth County, IA. Under contract with Xcel Energy for 2020 COD)
  - Lead developer for Lake Wilson Solar Farms (183 MW in Murray County, MN)
  - Development manager for utility scale solar portfolio in Minnesota

*Associate, Business Development*

*October 2014 - February 2016*

- Developed competitive pricing strategy, managed resource assessment process, and began initial development of multiple wind and solar farms across the upper Midwest
- Evaluated and tracked power market trends and competitive landscapes across the Midwest to identify and evaluate opportunities, and create project development strategy proposals to senior management
- Select project experience:
  - Developer for the 200 MW Freeborn Wind Farm
  - Development support across multiple projects in Minnesota, South Dakota, Ohio, and Illinois

*Business Development Intern*

*July - September 2014*

- Supported development group in acquisition evaluation, greenfield project evaluation, land acquisition, document drafting, stakeholder relationship development, and development strategy
