)	

Crowned Ridge Wind II, LLC (“the Applicant”), hereby submits a Request for Consent to Withdraw without prejudice to refileing its Application for a permit pursuant to ARSD 20:10:01:02.04.

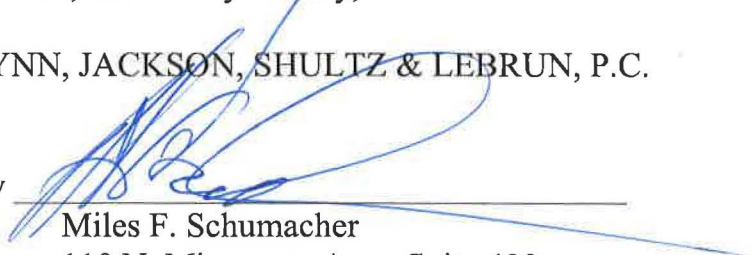

On April 1, 2019, the Applicant filed its Application for a facilities permit to construct a wind energy facility. It was recently discovered that the notice to landowners was not mailed. At this time, there is no longer sufficient time to reset the public input hearing, and provide the required notice to landowners and other interested parties pursuant to SDCL 49-41B-5.2. Therefore, after conferring with Public Utilities Commission Staff, the Applicant has determined that it is necessary to withdraw its Application without prejudice to refileing its Application in order to meet the statutory notice requirements.

Accordingly, Applicant requests that the Commission consent to the Applicant’s withdrawal without prejudice to refileing of its Application.

Dated at Sioux Falls, South Dakota, this 7th day of May, 2019.
