Mr. and Ms. Hulscher,

Thank you for submitting your message and letter regarding the Crowned Ridge Wind II docket, EL19-027, currently before the commission. As you likely know, your property and business, located adjacent to the batch plant along Highway 212, were referenced during the evidentiary hearing on this proposed project. It is helpful to hear from you, and I appreciate you taking the time to write to the commission about this.

Here is a link to the complete docket online, <https://puc.sd.gov/Dockets/Electric/2019/EL19-027.aspx>. Your email and letter and my response will be posted under Comments and Responses in the docket. Here is a link to the Siting Guide posted in the docket and on the commission's home page that may be helpful in explaining the commission's processing of siting dockets such as this, <https://puc.sd.gov/commission/dockets/electric/2019/el19-027/sitinghandout.pdf>

Chairman Gary Hanson
South Dakota Public Utilities Commission
