RE: ERRATA
COGENERATION AND SMALL POWER PRODUCTION
DOCKET NO. EL21-019

Dear Ms. Van Gerpen:

In responding to a Commission Staff inquiry, we discovered a formula error pertaining to the Property Tax entry in our LARR calculation. As a result the Total LARR should have been 9.25% instead of 9.59%. This change impacted the metering costs derivation on Attachment B, Page 1 of 4 of the filing. We did not propose changes to the current metering charges, therefore this revision will have no impact on the pending proposed rates. Attached is the revised Attachment B, Page 1 of 4. We appreciate Staff alerting us to our oversight, and we apologize for any confusion this error caused.

Please contact me at 612-330-7681 or lisa.r.peterson@xcelenergy.com or Jennifer Roesler at 612-330-1925 or jennifer.roesler@xcelenergy.com if you have any questions about this filing.

Sincerely,

/s/
