

## Notice of 2024 Formula Rate Update Annual Meeting

---

NorthWestern Energy (South Dakota) will host a Zoom Meeting to review and discuss the Annual Update of its transmission formula rate as follows:

**Date:** Monday, April 29, 2024

**Time:** 9:30 A.M. MTN/10:30 A.M. CDT

**Place:** Zoom Only. To register, please send an email to [Melissa.Crosby@northwestern.com](mailto:Melissa.Crosby@northwestern.com) and you will receive access information.

NorthWestern's Annual Update for the rate year beginning April 1, 2024, is available on the SPP Member Related Postings page, [HERE](#). The Annual Update provides the annual transmission revenue requirement for service in the Upper Missouri Zone of the Southwest Power Pool footprint.
