Ms. Van Gerpen,

On December 22, 2016, the Commission received a filing from Trinity Point Limited Partnership. This filing is for approval of a variance from the individual metering requirements in ARSD 20:10:26:03. Staff has been unable to process this docket due to a lack of communication from the applicant. Staff has attempted to contact the applicant on numerous occasions, via email, phone, and mail with no response. As a result, Staff requests that the Commission dismiss this docket without prejudice.

Thank you for your time and attention to this matter

Sincerely,

Amanda M. Reiss
