

Docket Number: GE21-002
Subject Matter: First Data Request
Request to: MidAmerican Energy Company
Request from: South Dakota Public Utilities Commission Staff
Date of Request: 3/23/2021
Responses Due: 4/7/2021

1-9) Provide further reasoning for not including the addresses to kiosk locations in the customer booklet.

Response:

MidAmerican Energy is working on implementing additional payment kiosks throughout the service territory. By including the current information in the welcome booklet, it will become quickly out-of-date. Referring the customer to MidAmerican's website will ensure they have access to the most current list of available kiosk locations.
