TO ALL PATRONS OF ANDERSON SEED COMPANY INC:

On February 17, 2012 pursuant to SDCL 49-45-16 the South Dakota Public Utilities Commission (Commission) suspended Anderson Seed Co Inc's (Anderson) grain buyer's license. The Commission also ordered an audit of Anderson's scale tickets to determine the extent grain was received at the Anderson facility located in Redfield South Dakota for which no payment was made. Our audit shows you sold grain to Anderson at the Redfield facility.

On March 13, 2012 at 1:30 pm the Commission will meet to determine whether the Anderson license should now be revoked and whether any other action is appropriate. You may listen to the meeting through the Commission's website at [www.puc.sd.gov](http://www.puc.sd.gov). Near the top of the page under the heading, select, "Listen LIVE to the Commission Meeting, March 13, 1:30 p.m. CDT. Agenda." The link will direct you to the meeting. The meeting agenda is currently available at the same location.

Grain suppliers, as a group, may wish to hire an attorney to jointly represent your interests. To facilitate contact with other suppliers with claims against Anderson, you may complete and return the enclosed release form. Upon return of the release form, your name and contact information will be entered into a data base which will be made available to you and other creditors of Anderson.

If you have any questions please do not hesitate to contact me.

Sincerely,

Jim Mehlhaff  
Director, Grain Warehouse Division
