PROOF OF CLAIM FOR CASH GRAIN
(Grain which is priced and sold and payment has not been made)

I, DAKOTA MILL & GRAIN, INC., the undersigned, do hereby submit this claim against any grain funds or applicable bond(s) for the following grain which was delivered and sold to a grain buyer named ANDERSON SEED COMPANY, INC., located at Redfield, South Dakota.

Listed below are the loads delivered which were not paid for:

Scale Ticket	Date	Grain Sold	Bushels	Price	Lien Holder
See Attached	Same.	Sunflowers Delivered	14474.35 cwt	See Attached	None.
See Attached	Same.	Sunflower Open	30599.00 cwt	See Attached	None.

Explanation of Claim:

Pursuant to contracts with Anderson Seed, Dakota Mill and Grain delivered a total of 14,474.35 cwt of sunflower (for oil) to Anderson's sunflower processing facility in Redfield, South Dakota, between 10/1/11 and 12/13/11. All of this product was then sold by Anderson Seed without payment of any kind to Dakota Mill. In addition, Anderson failed to purchase the balance of 30,599 cwt of sunflowers under its open contracts causing a margin loss to Dakota Mill of \$207,995.00 due to market changes. Dakota Mill's total claim for seed priced and sold to Anderson is \$672,275.76.

All of the documents supporting this claim have been previously provided to the PUC and are attached to this claim. Notably, these documents were previously audited by the PUC who determined a viable claim of \$464,280.76 for sunflowers priced and delivered to Anderson. In addition, an open contract summary is attached. All of the aforesaid documents are offered as proof of delivery and evidence of this claim.

I submit the above claim and state that it is true under penalty of law.

Sandra,

Good morning. I hope this email finds you well. I am following up to our conversation yesterday (March 7), in regards to Anderson Seed Company.

First off, thank you very much for the support documentation you submitted to us. We were able to find corresponding documentation for every load we show your company has not been paid for, and all of the bushel amounts are very close to identical. We did not find any loads on either end of shipment that were unaccounted for. The solitary bill of lading that you were unable to match yourself (#22429) we believe to correspond to one of the rejected loads we discussed yesterday. We based that conclusion on dates and cwt. amounts.

After reviewing the information again, we still find the amount owed to Dakota Mill & Grain to be at \$464,280.76 (gross). The difference between your amount and ours appears to be the result of the pricing differences between your records and those of Anderson Seed, which we discussed yesterday on the phone.

We are currently in the final stages of our audit of Anderson Seed. When that is completed we will be contacting all of their customers by letter with information. Your company will of course be included in that list. If before then you have any questions or concerns, please feel free to contact our office. Thank you again for your help in this matter.
