**TO ALL CLAIMANTS WITH ALLOWED CLAIMS AGAINST ANDERSON SEED CO.
BUYER BOND:**

Enclosed with this letter are a check for your share of the Anderson Seed Co. grain buyer bond and a copy of the "Table of Bond Payouts Based on Dollar Values Claimed - with and without inclusion of Martinmaas Dairy Inc." which was attached as Exhibit A (Correct Version) to the Commission's Decision of Receiver; Proposed Findings of Fact, Conclusions of Law, and Decision submitted to the Court for the Court's approval. As you are aware from the Court's Judgment and Order mailed to you by the Commission on April 25, 2013, the Court approved the majority of the Commission's recommendations but rejected the Commission's recommendation to deny the Martinmaas Dairy claim as a voluntary credit sale. The Court instead approved the Martinmaas Dairy claim and use of the percentages in the column of the Table of Bond Payouts entitled "% of Claims" in the section of the table entitled "Including Martinmaas Dairy" for computation of bond proceeds payment amounts. Each approved claimant's payment was therefore calculated by applying this percentage of total claims for such claimant to the total proceeds plus accrued interest in the bond proceeds trust account as of the date of check issuance.

Thank you for your patience throughout this process. Unless you believe your check amount is incorrect, we believe that this concludes the Anderson Seed matter with respect to the processing and payment of claims against bond proceeds, and this should be the last communication you receive from the Commission about the bond proceeds proceeding. If you have question or concerns, please feel free to contact the Commission at the phone or fax numbers, email address, or mail/walk-in address in the above letterhead.

Sincerely,

John J. Smith, General Counsel

James Mehlhaff, Director
Grain and Warehouse Division
